

**K R A M** Lounge chair

## K R A M Lounge chair

This beautiful lounge chair was carefully thought and designed to be the core representative of Laengsel. The minimalistic creased lines and the functional form are inspired by the new nordic design. The continuous line that defines the feet and the arms embraces the all core of the structure. The contrasts of dark vs light and strong vs delicate are very present in this piece, alluding to the Nordic and Portuguese heritage of this brand.

This chair is made of sustainable birch plywood using CNC cut with innovating waste efficiency technology. We are using the highest quality woods with natural non-toxic glues and premium eco-friendly fabrics. This piece is assembled and finished by professional craftsmen.

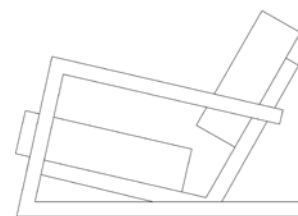

It comes with two pillows and one or two different color tones of fabric.
